Chileno Valley takes its name from the Chileans who picked hops and camped out during the season on the former hop fields across Chileno Valley Road from the western tip of the Laguna Lake near the road. They had probably come to Calif. during the Gold Rush. One, Adrian Godoy lived here permanently till he returned to Chili. He was the administrator of the estate of Angel de la Luz Bojorques. See p. 5 He appears in records as follows:

Rafael Cacho was the grantee of Canada de San Geronimo or Satracocha in Marin Co. I donnot know where he was from. Luisa Miranda was probably the daughter of Juan Crisostomo Miranda and Maria de la Luz Mesa of Rancho Arroyo (Creek) of San Antonio which bordered Rancho Laguna de San Antonio of the east. Note: Sebastian Bojorques left Rancho Laguna de San Antonio after the death of his father. In 1946 Gilbert Carlos Bojorques a grandson of Jose Geraldo Bojorques a brother of Angel de Luz Bojorques, visited his 2nd. cousin Frank Bojorques and his sister, both single. [illegible] Frank's older sister, Mary Amelia told Gil that the family had lived in a two story adobe and that she used to ride side saddle around a lake shooting water fowl. Probably the Laguna Lake. They were visited in Mt. View, I think. Gil was told there were 17 children.

In Sep. 13, 1972 Gil Bojorques wrote: "It is too bad that Ralph Sawin can't come up with some information on the Valencia side. Onee more the name Gabriella pops out, the sister of Frank Bojorques it was she who came to Santa Monica about 1912 and informed them that they were rich and that it was theirs for the claiming she called the old folks "primo". I got this information from Frank Rangel who was married to Eulalia Bojorques, many years ago She was my father's youngest sister. The rest of the story you know."

Eleventh Day of the Black Will Trial - Saturday, Mar. 28, 1874, S.F. Bulletin

Testimony of Maria Loretta (Pacheco) Black Note: evidently she was a sister of #7 on p. 17

Question-Did you not testify, on the first trial of this case, that you first heard that Mr. Black had made a will a few days after your marriage?

Answer-I may have so testified, but do not remember it.

Q.-If you did so testify, was it true?

A.-I believe that all I have said is true. Never told Gabriella Bojorques that I tried my utmost endeavors to persuade Mr. Black to take Augustina Burdell and Josepha Miranda out of his will--never told Mrs. Bojorques, at the Widow House in the latter part of 1868, that Mr. Black told me he had made a will to his daughter and the children he had raised at Nicasio, but that he had now made a will in which he had left all his property to me and nothing to them.

Testimony For Contestants In Rebuttal

Miss Gabriella Bojorques, sworn--She was asked if Mrs. Black told her that she had tried to make Mr. Black take Josepha Miranda and Augustina Burdell out of his will. Witness replied that Mrs. Black told her that Mr. Black said he intended to make a will and strike out Augustina Burdell, Josefa Miranda, and others. This testimony was stricken out, on the ground that it was not evidence in rebuttal.

Mrs. Concepcion Bojorques testified that she had a conversation with Mrs. Black, near the widow Howe's house. "Only Mrs. Black and myself were present. She told me that the will was already for her part. She said to me that the first will Mr. Black left it to Augustina (Burdell), but in his other will he had left it all to her."

Cross Examined-This conversation took place in May, preceding Mr. Black's death, the same year he died. Do not know the day, but it was a week before the month of May. Heard of Mr. Black's having a severe fall prior to his death. This conversation took place before his fall. He received his fall in July of that year.

This testimony was stricken out by the Court, on the ground that the attention of Mrs. Black had not been called to the question asked witness. Counsel als added on the ground of blunder in time.

Notes on the trial data sent by Charmaine Burdell Martinelli

Maria Antonia Expectation Loreta Duarte de Black was the widow of Ygnacio Victor Pacheco, grantee of Rancho San Jose in Marin Co. Descendants live in a Victorian house by 101. His first wife was Maria Josefa Victoria Higuera. His 2nd. wife was Maria Guadalupe Duarte a sister of his 3rd wife who as a widow married James Black. Maria Antonia Expectation Loreta Duarte's marriage to James Black was not a happy one. She later married again to Vicente Velaso who returned to Spain after she gave him $10.000.

James Black was the widower of Maria Agustina Sais who had died in the dentist's chair of Dr. Galen Burdell while under anesthesia. Burdell was the first dentist in S.F. and his wife was Maria Augustina Black the daughter of James Black and his first wife Maria Agustina Sais de Black. Black was the owner of Rancho Olompali and other properties in Marin Co. and was the original grantee of Canada de Jonive in Sonoma Co. He was originally from Scotland. Charmaine Burdell Martinelli is a descendant.

Gabriella Bojorques would be probably the oldest dau. b. c. 1855, of Jose Sebastian de Aparacio Bojorques and Maria Concepcion Valencia, p. 17.

Mrs. Concepcion Bojorques would be her mother Maria Concepcion Valencia de Bojorques who was evidently a niece of Maria Antonia Expectation Loreta Duarte, Pacheco, Black, Velasco.

Maria Concepcion Valencia was a daughter evidently of Bruno Valencia and Maria Bernarda Duarte who was a sister of Maria Antonia Expectation Loretta Duarte. I am not completely sure about the identity of other Valencias who appear in baptisms.

My first introduction to the wild west came on a Sunday afternoon at the dairy ranch where we first lived, when a Spaniard who was half witted and over half drunk and who although deaf and dumb, emitted discordant vocal sounds, rode a bronco to a finish. I have never seen in all subsequent experience such power to recover balance. He just couldn't fall off.

Old Ledger at the Parent Funeral Chapel, Petaluma. Bojorques, Rafael drowned 35 to 38 May 28, 1877 b. & d. in Marin $200 personal estate.

The Weekly Argus, June 1, 1877 DROWNED sent by C. B. Martinelli

A deaf mute, called Rafael, and well known in Petaluma, was drowned in Tomales Bay last Monday. He was in a boat with three others, crossing from Point Reyes to Preston's Point. The sea was rough, and the boat was swamped when about four hundred yards from land. He struck out for the shore and swam vigorously for a time, but suddenly sank to rise no more alive. The body was recovered next day. His companions all saved themselves. The deceased was a member of the Bojorques family and a most expert horseman. He was born in this vicinity, and was about 37 years of age.

Marin Journal June 14, 1877 sent by C. B. Martinelli

Rafael Bojorques, the "deaf and dumb Spaniard," as he was called, was drowned in Tomales Bay, on the 28th (May) by the upsetting of his boat. After several days search, the body was recovered.

People vs. Lorenzo Bojorques - Burglary. Case tried and defendant acquitted by the jury under instruction of the Court. People vs. Bojorques - Felony. Nolle Prosequi entered by District Attorney.

Nicholas Criley, the main prosecuting witness on the above entitled cases was arrested on the 9th inst. ona charge of perjury. The accused waived an examination before the County Judge who held him to bail in the sum of $500.-

A few months later Lorenzo Bojorques was in trouble again. In the State Archives Sadramento there papers from Sonoma and Marin Counties. Sonoma Co. Court Series Nos 1-261 Index No. 13 People vs. Bojorques, Lorenzo 1865 512. O.S. No. 13 County Court, Sonoma Co. People vs. Lorenzo Bojorques. Judgement Roll Filed Nov. 13, 1865 Nov. 6, 1865, on this date S. J. Smith, Fred F. Fine, J.H. Knowles, J. Mc. Brown were to appear at 9 A.M. before the Grand Jury. They were from Two Rock. S.E. Cooper said he had served a subpoena to F. H. Farley, J. M. Brown and S. T. Smith personally as a deputy constable. Fred Ruick is also named on another paper. Lorenzo Bojorques was accused of taking on the 22nd of Sept. "one red and white cow of the value of thirty dollars, and one brown cow mottled with ? which of the value of thirty dollars ammounting in the aggregate to the value of sixty dollars" These belonged to J. McBrown. Lorenzo Bojorques was admitted to bail at $1.000. C. W. Langdon was the County Judge. A subpoena was served to Lorenzo Pina, Henry Howe, and John Bowen. Jose Salazar could not be found in the county. Lorenzo Bojorques was convicted and sentenced to four years in the State Prison. He had pleaded not guilty. Temple & Thomas were his counsel.

I have not copied the entire file here but only given the main facts. The Farleys were an early family in the area. A Mrs. J. T. Farley of Nicasio was a daughter of Juan Bautista Bojorques & his wife Elizabeth Angela Howe who was the daughter of Henry Howe and Maria Angelina de la Luz Bojorques. Robert F. Farley is in the 1880 Marin Co. Hist. p. 451 and the Petaluma Argus Courier of Aug. 18, 1955 has some data. In 1985 C. B. Martinelli wrote of Farley descendants in the Nicasio area, one hunted deer on her Olompali property. Data on Jose Salazar is in the Juana Maria Bojorques section since me married her oldest daughter Maria Antonia. Lorenzo Pina was perhaps descended from Lazaro Pina, grantee of rancho Agua Caliente (Hot Water) further north in Sonoma Co. A son was grantee of Tzbaco there. Lazaro Pina came to calif. c. 1818 and returned to Mexico and was killed in the battle of Cerro Gordo (Fat Hill) in the Mexican American War.

No. 1266 In the Matter of the Inquisition Into the Cause of Death of Esedro Bojorques Held in Marshall, Calif. Jan. 29, 1916 Filed in the office of the County Clerk of the County of Marin, State of Calif. this day of Feby 1916 Rob E Graham County Clerk Deputy Clerk State of Calif. County of Marin Inquest upon the body of Esedro Bojorques Before Coronor F.E. Sawyer of Marin Co: Marshall, January 28, 1916

The following is a copy of the testimony taken at an inquest held before Coroner F. E. Sawyer, upon the remains of the above named deceased, at Marshall, said county and state, Jan. 28, 1916.

The Jury having been duly impaneled and sworn the following proceedings were had:

J.M. Bojorques,

being duly sworn was examined by Coroner Sawyer and testified as follows:

Q. Your name? A. J.M. Bojorques.

Q. Did you know the deceased? A. Yes, I have known him was called my uncle, and all my life; he was called my uncle and was a second cousin of my father's.

Q. What was his name? A. Esedro Bojorques.

Q. Where was he born? A. In Sonoma Co.

Q. His age? A. About 64.

Q. His occupation? A. He was a laborer by occupation, and was one of the family of the old Bojorques grant of Chileno Valley.

A. Do you know anything of his death? A. Nothing much, except that I saw him yesterday and he appeared to be in good health . I have known him all my life and never knew of him being ill except when sick with smallpox. This morning Ned Egara called about 8 o'clock and told me the old man was sick and I went and saw him and found him unconscious in bed and I went to telephone for the Doctor, but he died during my absence. That is all I know of the circumstances.

Coroner to jury: Gentlemen, any questions? (None) That is sufficient

Mr. Bojorques.

-1-

Ned Egara

being duly sworn as a witness, was examined by Coroner Sawyer and testified as follows:

Q. Your name? A. Ned Egara

Q. Residence? A. Marshall

Q. Occupation? A. Well, I am too old to work.

Q. Did you know the deceased? A. Yes, I have known him since we were boys together in Sonoma Co. The dead man is my first cousin and has been stopping here about three weeks with me. He has been working for Magretti Bros. on the ranch here but for the last three weeks has been out of work. Yesterday he was feeling all right and had his supper and we were sitting in the kitchen talking and smoking, and about 8 o'clock last night he started to get up to go out. He said he felt dizzy and as he stood up he lost his balance and fell over on to the floor. My wife and I picked him up and he said he wanted to go to bed, so we carried him into the bedroom and put him in bed and I took off his boots and then he shut his eyes, and as far as I know never opened them again. I was up all night with him, more or less, and this morning about 8 o" clock I got rather anxious because he did not come to, so I called Mr. Bojorques, who lives in the next house, and he came over and saw him and he went for the doctor, but while he was gone, the old man died, which was shortly after 8 o'clock this morning. This is the first time that he was ever sick that I know of.

Coroner: He did not complain at any time prior to this?

A. No, sir, he has been with us three weeks and seemed to be feeling as well as usual, just the same as he has for years, as far as we could see.

Coroner to jury: Gentlemen, any questions to ask Mr. Egara? (None)

Gentlemen, I have conversed with both Mr. Bojorques and Mr. Egara, and from what they tell us I am perfectly satisfied that his man came to his death from natural causes, undoubtedly a hemorrage of the brain. Do you desire any further information? (jury: none)

Coroner: You will then proceed to arrive at a verdict.

Inquisition by Coroners Jury State of Calif. Marin Co.
In the matter of the inquisition upon the body of Esedro Bojorques deceased. Before F.E. Sawyer Coroner

Note: J.M. Bojorques is probably John M. Bojorques the son of Juan Bautista Bojorques & wife Elizabeth Angela Howe.
Ned Egara (Higuera) would have been a nephew of Maria Clara Lorenz Higuera de Bojorques the mother of Esedro (Isidro) Bojorques.
Alex Martin Jr. would have been probably, Alexandro Martin a son Of John Martin (grantee of Rancho Corte de Madera de Novato. Hick's Valley on this grant was called by the Miwok Indians Colenqueche) & his wife Maria Tomasa Dominga Cantua. This Alex Martin married Maria Antonia de Jesus Salazar. However there were later Martins in the area. See- Juana Maria Bojorques section.
Charles F. Bojorques is probably a nephew of John M. Bojorques above. His father was Joseph Bojorques who deserted his children. The Point Reyes Light Thurs. Damoso Antonio Rodriguez became grantee of Rancho Lac in Sonoma Co. Was at the battle of Olompali in 1846 when the Bear Flaggers attacked. Bancroft's Pio. Reg. & Index says it took place on his land. Jascinov sounds Russian. Cayetano Juarez became grantee of Rancho Tulucay and one of his adobes is a restaurant in Napa. Ramon Mesa became the grantee of Rancho Soulajule in Marin Co. Jose Maria Alviso was a cousin of Ygnacio Bojorques. Ygnacio Higuera may be Ygnacio Teodoro Higuera who married Juana Maria Bojorques in 1835.
